

ST JOSEPH'S CATHOLIC COLLEGE

Secondary Students Mobile Phone Policy & Agreement

SECONDARY STUDENTS MOBILE PHONE RESPONSIBLE USE CONTRACT

- Mobile phones are to be placed in Mobile Phone Holders at the start of each lesson (located in each secondary classroom).
- Mobile phones are not to be used during class. If a phone rings or beeps in class it will be confiscated as per the College Confiscation Procedures.
- Mobile phones are to be switched off or switched to *silent* during lesson.
- Use of mobile phones for educational purposes remains at the individual discretion of each Classroom Teacher.
- Mobile phones may be used at recess and lunch times.
- Social Media should be used responsibly and for appropriate purposes.
- We are provided with the Media Access Control Address (“MAC address”) of each phone.
- Mobile phones will be removed from the student and taken to the Front Office if a student refuses to follow the “Responsible Use Contract” and further disciplinary actions may take place.

The device is to remain the students responsibility at all times. The College is in no way responsible for loss or damage to mobile devices.

MAC address of each device, separated by commas:

(see APPENDIX A regarding how to get the MAC address):

Student Name (printed): _____ Student Signature: _____

Date: _____

GETTING THE MAC ADDRESS

Example MAC address: CC-AF-78-5A-FB-F2

or CC:AF:78:5A:FB:F2

FIRST, CONNECT TO THE INTERNET AT SCHOOL or HOME THEN FOLLOW THE BELOW STEPS

PC laptops

Go to  > Type 'Run' > Press Enter > Type CMD > Type 'ipconfig/all' in black screen > Press Enter

The MAC address is under the heading 'Wireless LAN adaptor' and to the right of 'Physical Address'.

Apple laptops

Go to System Preferences > Click View > Click Network > Click on the name of your connection > Click Advanced > Click the Hardware, Ethernet > AirPort Tab

The MAC is the string of letters and numbers next to "MAC Address:", "Ethernet ID:", or "AirPort ID:".

Galaxy

Go to Menu > Settings > Wifi > Available Networks > Options > View Details > Scroll to Handset MAC Address

Android

Go to Menu > Settings > About Phone > Status > Scroll down to see your WiFi MAC address.

Or

Go to Menu > Settings > About Phone > Hardware information > WiFi MAC address.

iPhone

Go to Settings > General > About > WiFi Address
