Stationery items are organised by the school. This new process ensures that all students have the appropriate exercise books and equipment necessary to begin the new academic year. Staff have worked very hard to alleviate stress on families and to keep costs down. Students will receive these items from the classroom teacher at the commencement of the school year.

In addition, a Student Diary will be provided to your child. If this diary is lost/damaged during the course of the year, it is an expectation that a replacement diary be purchased for \$12 at the parent/guardian's expense. The diary serves a number of very important functions and is not optional.
